## From the Vicar and President

July 16, 2011

Dear Friends,

The St. Thomas Malankara Orthodox Church, Inc, Long Island, New York had its delicate beginning in 1986 from scratch. I had the privilege to be a humble servant as the organizer and Vicar of this Parish with a handful of families that has grown to 80 plus, accommodated in a rented place ever since.

Our urgent necessity to obtain a church building of our own has prompted us to take up the task of building a new church. We were blessed to have obtained some property in Levittown. We have started the construction of the church building and it is progressing well. However, in order to build a church that will suit our needs, we must overcome substantial expenses. The cooperation, enthusiasm, and the spiritual unity of the parish as a whole, and the youth in particular, are the driving forces behind this Herculean task.

One of the many endeavors our youth has taken up is organizing this basketball tournament. Each youth member has worked to the top of their ability, influence and time to collect sponsorships, sell tickets, and all the different ways to make this venture a success. We are greatly indebted to our sister parishes, both near and far, in helping us by sending their basketball teams, monetary support, constructive suggestions, etc.

It is my pleasure to invite all our supporters/guests who are participating in this event to make it a success.

Blessings and good wishes to the youth and participants.

Yours in His service,

(sd)

Very Rev. Dr. M. Yohannan (Sankarathil), Cor-Episcopa  
(Vicar and President)

# The St. Thomas Malankara Orthodox Church, LI NY

As we bring to you the 10th annual STYL Invitational Basketball Tournament, we would like to share with you the latest developments in our efforts to build a house of worship. The construction was put on hold for a few years due to unforeseen legal issues. We are happy to let you know that we have overcome those obstacles and are well underway to fulfilling a dream. This vision was created and undertaken by the love, support and hard work of our family members and our leader and Vicar, Very Rev. Dr. Yohannan Sankarathil Cor-Episcopa.

On a bright and blessed Sunday morning in the year of our Lord, Jesus Christ, 1986, fifteen families came together in a small, modestly furnished building to celebrate Holy Qurbana. On that day, in the presence of our Lord, under the leadership of our Vicar, a cornerstone for The St. Thomas Malankara Orthodox Church of Long Island was set. Our tradition of faith and loyalty have helped us to withstand the tests of time, hardship, and uncertainty. Today, with the grace of God and a common spiritual fellowship, our tradition continues to grow. Each Sunday, we partake in the mystery of worship and the community comes together, actively working and studying in the Sunday School, the St. Thomas Youth League (STYL), the Martha Mariam Samajam, and the Church Body.

Each of our church groups serves an equally valuable role in our effort to understand the Lord and develop our children's faith. Our Sunday School is abound with activities and surprises each week. All grades are blessed with talented, intelligent children who partake in regional Diocesan competitions and shows. The most precious asset of our church lies within these children, for they are the future, and in them lays the purest faith and belief in God.

Our church grows stronger through service. Over the years, St. Thomas Church L.I has aided relief funds for orphanages and disasters, and has raised money for the sick and homeless through the Martha Mariam Samajam and the General Church Body. Through clothing drives, fundraisers and donations, we

give back to both our motherland, India, and to our adopted nation, United States of America.

As young adults of the Orthodox Church, youth MGOCSM members bear the responsibility to hold steadily to their beliefs and to preserve the faith that is being handed down to them. Our youth members, the St. Thomas Youth League (STYL), functions mainly through bi-monthly youth meetings and organized community charity efforts. STYL's presence was first made known in the summer of 2000 with a massive charity fundraising effort run by all 40 of its members. The event raised over \$1,700. A part of the proceeds went toward the education of one student in India, and the rest was distributed among four orphanages in Kerala. Following the fundraiser, STYL ran clothing drives, trips to hospitals, and other efforts for charity. Many of our youth are leaders of the Regional MGOCSM & FOCUS and all of our youth actively participate in all Diocesan events. We have always shown love and support to our sister parishes far and near in all their efforts. Again, it is through the grace of God that we have come this far, and only continued servitude and prayer will aide our future efforts.

For more than 10 years now, Holy Qurbana has been conducted in the hall of St. Paul's Lutheran Church on the corner of 263th Street and Union Turnpike in Queens, NY. With all the blessings we have received over the years, we have yet to be blessed with a church of our own. It is a dream yet to be realized in the timeline of our Church's history. Great efforts have been made by our Church members in this matter, and the developments thus far has given us hope and a vision for a future for our community. All fundraising events have been geared towards raising money for this new challenge, and we shall, God willing, celebrate Holy Qurbana in our own new church very soon. Our renewed prospects for the future are made possible by your participation in the STYL Invitational Basketball Tournament, and we thank you for your contribution to God's work.

Dear Friends,

The past decade has been a long and arduous battle, as we endeavor to bring our church construction to a close. Nevertheless, it has been an invaluable and momentous experience. As we forge ahead, we can not forget those who have taken part in our extraordinary dream. All of you, our brothers and sisters, this event would not have been possible without you. A decade later, you have stood by us, and we are grateful to celebrate this historic occasion with you.

It is our pleasure to welcome you to the 10<sup>th</sup> annual STYL Invitational Basketball Tournament and 5<sup>th</sup> annual STYL Women's Invitational Basketball Tournament. We are ecstatic to celebrate our 10-year anniversary, with each and every one of you. Our efforts remain the same, our resilience remains the same, but fortunately our progress does not. We have come so far in the past decade, and today is an opportunity to celebrate as we take another leap closer to the culmination of our dream.

Since the tournament's inception, there are certain individuals who have sacrificed their time, money, and efforts and have expected nothing in return. First and foremost, we would like to show our appreciation towards God, who has patiently watched over us through every step of this grueling, yet crucial journey. Next, we want to thank our Achen, the Very Rev. Dr. Yohannan (Sankarathil) Cor-Episcopa, for guiding us through our endeavor, each year. Subsequently, we would like to extend our gratitude to all of our parents, who have stood by us, time after time. Even with their hectic schedules, they have always given up their time to motivate us and mitigate our workload. Last, but most certainly not least, we would like to express appreciation for STYL – The St. Thomas Youth League. Without them, this tournament would not even be possible. It is their tireless efforts, day after day, week after week, month after month, for the past year that has brought this event together. It has been an honor to work beside them, each and every day.

The countless hours and energy spent on this tournament is a testament to our faith and dedication to the church. We celebrate 10 successful years of running the STYL Invitational Basketball Tournament, and we hope to continue its success in the future.

To the players, families, and supporters, thank you for taking part in this event. Please remember us in your prayers, as we make the effort to complete the construction of our new church. You were an important part of our tournament's inception, and we hope you will remain a part of it for years to come. Thus once again, after a decade since its commencement, The St. Thomas Youth League would like to officially invite you to our 10<sup>th</sup> annual STYL Invitational Basketball Tournament.

God bless and may the best team win.

Sincerely,

Lincy Thottathil  
Secretary of the St. Thomas Youth League
